Aula AtecA

Applied Technology Classroom

Aula de tecnología Aplicada

- European Innovation Project
- Integration of novel technologies into **vocation training** classrooms
- **50.000 –60.00 EUR** per educative center
- Silent Equipment
- Attractive Classroom design
- **INTEF**: teacher's training

Aula AtecA

Applied Technology Classroom

*Aula de **tecnología** Aplicada*

- **Supply of technologic material:** 3D printers and 3D scanners

- 3D Printers from **300€** up to **20.000 €**

- Grants from **55.000€** up to **60.000 € per educational center**

- **Standard Equipment :**

3D Printers: CoLiDo 3.0, CoLiDo X3045, Tumaker NX, Voladd

3D Scanners: ANET HAndySense, RangeVision NEO
